ESTIEM

AGENDA

1

What is ESTIEM?

2

The Network

3

What do we do?

what is
ESTIEM?

ESTIEM is the non-profit organization for Industrial Engineering & Management students, who combine technological understanding with management skills. The goal is to foster relations between IEM students and support their personal and career development.

Local Groups

One for every IEM University

Central Estiem

Group of students that run the main organisation

The Board

Committees

Projects

Our Network

34

COUNTRIES
ALL OVER
EUROPE

180+

EVENTS
ORGANISED
EVERY YEAR

3.000+

TRAVELS MADE
YEARLY BY 2.000
STUDENTS

What do we do?

The answer is: **events!** Throughout the year every Local Group – University in ESTIEM organizes multiple, 5-days-long events in their country, with different themes and activities. As an ESTIEM member you are automatically able to attend every single one of them.

We do Business.

We do Business.

Academic Events

*The academic events aim towards improving the **study quality** of IEM students and providing **academic supplements**.*

VISION

Academic
Days

Summer Academy

We do Business.

Skills Development

*These events focus **development of IEM** students through **training events** and aims at helping students with their transition towards the corporate life.*

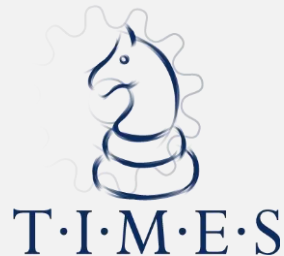

We do Business.

Competitions

*Students in ESTIEM can take part in many **international competitions**, to trigger students to **succeed** and to award them in their excellence.*

LEAN SIX SIGMA
GREEN BELT COURSE

EUROPEAN MASTER
THESIS AWARD

We do Business.

Intercultural Exchanges

*Intercultural ESTIEM events provide the possibility to develop **intercultural understanding** in an **international group** of students.*

But we also do “fun”!
