

A large group of students, mostly young adults, are posed on the wide, ornate stone steps of a grand, classical-style building with large arched windows. They are holding numerous green and white banners with the 'ESTIEM' logo and various regional or university affiliations. The students are dressed in casual attire. The overall scene is festive and organized.

ESTIEM Local Group Piraeus

Our amazing Team in University of Piraeus

Piraeus, April 2024

The first ever Conference of our Department and the University, organised by us in collaboration with mr. Kostopoulos.

A project which is meant to become an annual tradition and will add up to the value ESTIEM offers in our university!

That's great but...

**What can I do
in ESTIEM?**

A large crowd of students is gathered in a lecture hall, cheering and waving their hands. The students are wearing various colored shirts, including green, blue, and red. Some are holding flags, including the Italian flag. The hall has red seats and a dark ceiling with recessed lights. A green banner with the text "JOIN EVENTS" is overlaid on the image.
